Time - 9

Bluenote Time
by Adrian Green (born 1946, England)

in the soft jazz and midnight hour
your eyes are dancing close to mine
a sway of hips, a touch of lips

while on the stand
piano player’s fingers
dance around the tune
above a gentle touch
cressing music from the bass

your fingers up and down my spine

in the soft jazz and midnight hour
we lose ourselves in bluenote time
