Weeks 5 & 6 – Quilling 10/30 & 11/6

1. Paper quilling kit (see link for a suggestion) 3mm papers.

I like the kit because it comes with all the supplies needed. Except glue.

2. Wooden shape (see link for suggestion) I love the Hamsas , but you can do any shape and you can specify to vendor to drill a hole in the top so you can hang it. I found this on Etsy and wanted to share it with you.

<https://www.etsy.com/listing/775277016/unfinished-wooden-hamsa-shape-craft-up?variation0=1357623319&variation1=1357623299>

Etsy is a marketplace where people around the world connect to buy and sell unique goods.

3. Blank greeting cards with envelopes (see link) These are from amazon and its a huge pack.. you may not want a huge pack. My second suggestion is to pick them up at a craft store. They sell them by the half and whole dozen rather than 100 cards.

4. Glue, any “glue all” or Elmer’s works.

This is the best glue to use for quilling. It is the only glue I would suggest. The pen like applicator makes quilling a breeze. They make it in clear as well, but I DONT suggest that one. I suggest the White glue.

Weeks 7 & 8 – 11/13 & 11/20

Supplies

1. Wooden letter of your choice.

I am doing R for my last name and will hanging it on my door.

You can write a word or do initials or just do the project on a wood shape of your choice. I choose a 12” wooden letter. You can choose any size you want.

2. Any paper glue you have will work. I like to use a white glue and small paint brush or a glue stick .

3. Mod Podge on top. If you plan on putting it outside (like I am). I will get a mod podge for outside use. (This step is not mandatory).

4. Magazines.
