

Magazine Basket 1/14/21, 1/21/21 & 1/28/21

Several of the SAME magazines , I would suggest collecting 3-4. I use NY magazines.

Regular invisible tape

Clear packing tape (2) I like the ones that have the dispensers. If you already have in the house, you don't need to buy these.

You also will need a good scissors and a ruler.

That's it.
