Discover the timeless art of calligraphy and learn how beautiful lettering can transform everyday communications into works of art. In this course, students will explore the techniques, tools and materials used in traditional and modern calligraphy while developing their own distinctive style. Topics include stroke formation, spacing, composition, and the use of different scripts and lettering styles from around the world.

Through hands-on projects, students will create original invitations, business cards, greeting cards, certificates and announcements, gaining practical skills that can be applied to personal, artistic and professional endeavors. Whether you are a beginner or an experienced artist, this course offers an opportunity to cultivate creativity, precision and an appreciation for the enduring beauty of hand lettering.

Material fee of \$60 to be paid to instructor during first class session.
