Fall Risk Prevention Study with Steady Strides (FREE & OPEN TO THE COMMUNITY)

Be part of an important study focused on improving safety and independence. Participants will complete simple assessments and activities to help identify fall risks and contribute to research supporting healthier aging. Join us to learn more about your own balance and mobility while helping advance care for others.

Wednesday, June 10, 2026, 9:00 am- 12:00 pm

Calling all Needlepoint Stitchers! Join this exciting community project to create a beautiful wall-hanging for Myerberg. If you are comfortable with continental or basketweave stitches, we'd love your help! Each participant will stitch a unique 6" x 6" canvas square, which will be combined into one magnificent tapestry for display at Myerberg.
