3101 Fallstaff Road
Baltimore, MD 21209

REGISTER

Call 410-358-6856

Email info@myerberg.org

Members \$60

Guests \$75

Add a beautiful, personal touch to your home by creating your very own fused glass mezuzah case! Join us for a fun and creative hands-on experience led by Art by Shayna, who will guide us step-by-step through the process of designing and creating a unique mezuzah case of your own.

No prior glassworking or artistic experience is necessary! You'll have everything you need to bring your vision to life, including all glass and supplies, pattern and guide sheets, and packaging for your finished piece. Once your mezuzah case is created, we'll take care of the rest! Your artwork will be carefully transported to the kiln for firing and returned to Myerberg after firing, ready for you to enjoy and display.

Your class includes:

- All glass and art supplies
- Pattern and guide sheets
- Expert instruction and assistance from Art by Shayna
- Kiln firing of your finished mezuzah case
- Protective packaging
- Transportation to and from the kiln
- Return delivery to Myerberg

Come create something meaningful, beautiful, and uniquely yours while enjoying a creative afternoon with friends. You design it, Art by Shayna helps you create it, and the kiln brings it to life!
