

### Apple Basics

A four-week beginner-friendly series covering essential iPhone and iPad skills, including navigation, settings, apps, messages, and everyday use.

### Apple Essentials

A four-week follow-up series that builds on Apple Basics with more practice using key iPhone and iPad features confidently.

### Apple Wallet

Understand how Apple Wallet works, including adding cards or passes, using tickets, and learning safety basics before using mobile payments.

### Apple Watch

Explore Apple Watch basics, including settings, notifications, health features, messages, calls, and useful everyday tools.

### Camera and Photos

Learn how to take photos, find them later, organize favorites, delete unwanted pictures, and share photos with family and friends.

### Digital Drop-In

A flexible support session for quick questions, troubleshooting, and guided practice with common technology tasks.

### Gmail Management

Learn how to organize Gmail, search for messages, delete or archive emails, use labels, and keep your inbox easier to manage.

### Help Café

Drop in for friendly, one-on-one technology help with phones, tablets, email, apps, passwords, photos, and everyday tech questions.

### Intro to ChatGPT

Learn how to use ChatGPT for everyday questions, writing help, brainstorming, planning, and practical problem-solving.

### Intro to the Internet

Build comfort with internet basics, including using a web browser, searching online, visiting websites, and understanding common internet terms.

### Managing Calendars

Learn how to add appointments, set reminders, edit events, and keep track of important dates using a digital calendar.

### Managing Emails

Practice reading, sending, replying to, deleting, and organizing email messages across common email platforms.

### Portals

Learn how to sign in to online portals, navigate account pages, find important information, and manage common portal tasks.

### Stay Safe Online

Review practical ways to recognize scams, protect passwords, avoid suspicious links, and feel more confident using the internet safely.
